Forward together in the love of Christ

4th November 2016

Dear Parents and Carers,

St Gregory's "Achievement for All" Programme

At St Gregory's we have a commitment to raising standards and improving outcomes for all of our pupils. We know that you also share this vision and want to engage with us to make it happen.

We value the very good relationships we have with you already and we would like to build upon good links so that together we can ensure that all of our children succeed.

In view of our drive for improvement the school is engaging with the "Achievement for All" programme. We will work with "Achievement for All" throughout the school year and hope that in doing so we will see many benefits for our pupils including forging strong links and effective engagement with yourselves.

You can find more information on the programme on their website
https://afaeducation.org/programme_schools

Over time we hope to invite you all into school more often to discuss your child's attainment and how we can best work together. In the meantime we are looking forward to meeting you all next week at our parent/teacher consultations. Your child's teacher may ask you to come back into school for more in depth discussion about how we can work together.

We look forward to working with you and as always are very grateful for your support.

With every good wish

Mrs J Wilson
Temporary Head of School
