17th September 2021

Dear Parents/Carers,

We have been given the opportunity to participate in the tooth brushing scheme in school working with Tees Community Dental Service, Oral Health Promotion Department. We want to make tooth brushing a fun activity and this will help your child to learn about self-care.

We have been provided with toothbrushes and paste for our Early Years, Key Stage 1 and Year 3 children. Each child will have their own toothbrush and this will be stored in a hygienic rack. It is still very important that you help your child to brush at home and ask that this is done on a morning and night before bed.

Over 100 schools in Teesside are taking part and parents have said how this has helped in getting children to brush at home.

Please message your child's teacher via Class Dojo by Monday 20th September if you do not wish for your child to participate in the scheme.

Thank you for your support.

Yours faithfully,

Miss Quyoom
Year 1 Teacher
